We discussed completion of cleanup of the Trackside Parking Lot, there is still trash leftover from the Whiteaker Cleanup - Wayde Love to take care of this.

We need board members to share the WCAT booth during the block party to answer community questions and listen to issues. If you can share some time to help out it would be appreciated.

Health Committee -

Anand discussed the health committee and what he intended to do to get it off the ground. It will be important to have community support to make this successful.

Anand will provide Brad with a couple of questions to add to his survey (see below) to begin to assess interest in the community and will staff the Ice Cream Social.

Cathy Feely agreed to be the Board liaison for the committee. Committee will meet once a month just prior to the Board meeting.

Emily posted in this forum the vote and it passed.

Quiet Train

Brad wanted to do a short survey for Whiteaker Neighbors to review issues and gauge levels of concern or support. He will create the survey and post it for the Board to review this week.
